*Why
Safx?*

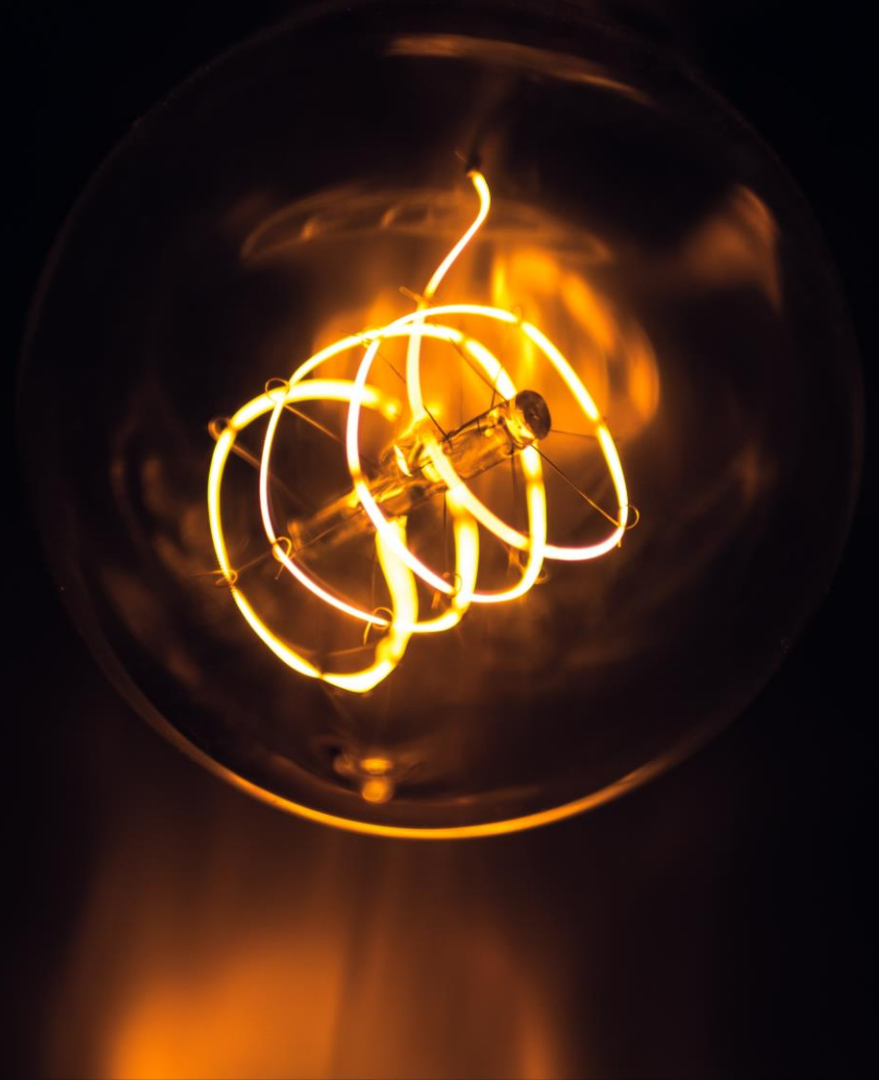

Our Approach

“Flexibility” is the key to providing customer-focused service that delivers value for money.

*Safx believes all its associates are “Partners in Progress” and to understand the specific operational needs of its partner, Safx makes a significant effort with a **customer-centric approach & value-driven style** to provide a tailored solution to fit the business needs.*

We support and train our employees to make a visible service difference while executing & delivering services at customers’ properties and allow our customers to focus on their core business activities without any hassle.

Training & Growth

Trained employees are **Productive Employees..!!**

Safx believes that its manpower is an asset to the organization and therefore, we invest in training programs to make employees feel fulfilled to fight challenges and valued, which in turn boosts their job satisfaction and productivity.

All our employees are constantly trained by our team of qualified trainers, who move across our client locations to impart training. The following training courses are conducted for the employees: -

- ☐ Induction Training
- ☐ On the Job Training
- ☐ Safety at Workplace
- ☐ Training for maintenance of Inventories
- ☐ Personality Development
- ☐ Job related Specific Training
- ☐ Specialized training on equipment

“ *We Train People not just to work....*
....but to Grow **”**
